

Sports Premium– Update 2017

How this funding has made an impact?

Since the start of the funding in September 2013, we have been lucky to be able to spend the money received on a number of activities to help improve the provision of PE across the Primary phase.

Specialist PE teaching

We have continued to use specialist coaches to provide high quality PE teaching at both schools. Working alongside these coaches continues to consolidate staff knowledge and confidence in the delivery of PE.

-quotes from staff

“Mr Caffrey’s (our resident coach) help and tips have enriched the teaching of PE, especially in contact sports and gymnastics.” - Mrs Dyson KS1 teacher

“Whenever I speak to children about PE they are always so enthusiastic to tell me about their learning!” Miss Shaw - Teacher and PE Coordinator.

“Spending time teaching alongside the coaches has helped me to clearly see the progression of skills children need to be able to play a specific game.” – Mrs Jebson KS1 teacher

“I have certainly improved my own PE teaching skills since watching and learning from the PE coaches that come into school every week” - Mr Tate Year 6 teacher and PE coordinator.

“Physical Education at NLC incorporates a wide and varied curriculum focusing on children’s physical literacy/development and mental wellbeing” – Mr Caffrey (Oldham Sports coach)

-quotes from pupils

“I love playing dodgeball!” Madison Yr 2 pupil

“Everyone likes PE because we get to run and play games, and it is good exercise.” – Cherish Yr 2 pupil

“I have learnt to put more power into the ball when I am throwing it in Dodgeball so it goes further.” Leighton Yr 2

“I really like PE, especially the TAG rugby that was taught by Mr Tate” – Joshua Yr 6

“Dance has been brilliant so far with Miss Emma!” – Abigail Yr 5

“I loved going to Newsome High School to represent our school in the Hockey festival! It was so much fun!” – Andy Yr 5

Since the beginning of the funding in 2013 staff have been actively involved in 6 training sessions which has increased their subject knowledge in the following areas and they have continued to work alongside our superb sports coaches.:

gymnastics

athletics

dance

netball

tag rugby

The coaches have also helped us to develop our own annual cross country competitions within school.

Impact of SPIN membership (add link to SPIN webpage - www.newsomhigh.co.uk/?page_id=674)

- KS2 children will have the opportunity to attend a number of clubs and after school events this year, such as; football (girls and boys), hockey festival, dance, orienteering, archery, tri-golf and Huddersfield Town training.
- KS1 children will have the opportunity to attend; multi-skills, dance, athletics, Change 4 Life, archery, boccia and Huddersfield Giants training.

64% of KS1 children attended a club, event or competition in academic year 2015-2016. (73% of those who attended were pupil premium children)

61% of KS2 children attended club, event or competition in academic year 2015-2016.

PE clothing

- At the Junior school we have provided a coloured 'House' t-shirt to all children to wear for PE.

Parent's questionnaire results 2016:

98% of KS1 and KS2 parents felt that their children enjoyed PE and 100% said that they had seen their skills increase.

100% of KS1 parents said that they were satisfied with the range of sports clubs provided.

Pupil questionnaire results:

95% of children said they enjoyed PE and 97% said their lessons were interesting. 100% thought that their skills were getting better. 98% thought that PE teaches you how to work as part of a team and is an important part of a healthy lifestyle.

Funding has also given us the opportunity to spend time and resources on linking our PE to other curriculum areas.

For example we now use ICT in the form of i-pads to evaluate and record our work. We have also worked with our specialist dance coach to develop dance planning that is linked to the children's afternoon topic work. In addition, in KS2 we have written reviews and newspaper reports linked to our annual Sports Day.
