

Class: 3-3 Kimberly Walsh

The Stone Age

Miss Lees is my teacher.
Mrs Clarke also helps in my class.
 My PE days are Tuesday and Wednesday.
Computing is on a Wednesday afternoon.

Our Learning

Literacy:

In Literacy we will be reading 'Detective Dan' which is a story with a familiar setting. We will then use this as the theme for our own writing. We will also be reading 'Ug' and 'Stone Age Boy' linked to our CLICK topic to inspire our writing.

Numeracy:

In Numeracy we will be studying place value, mental calculations, 2D shapes and perimeter and the four operations. We will also be recapping our times tables.

Computing:

In computing our topic is called 'Wired World' where we will be learning all about internet safety and how the internet works. We will be thinking about how we present ourselves and protect ourselves on the internet.

Topic:

In our topic we will be looking at pre-historic Britain and studying Stone Age life. We will focus on the Neolithic period.

You can help us by...

Remembering to send your child's PE kit on the correct days; encouraging them to read and learn their times tables and spellings at home and to reminding them to complete and return their homework by the end of the week.

Citizenship

British Values:

In our social and emotional learning, we will be thinking about new beginnings. This will help us to set targets and enjoy a successful start to our new year group and learning. We will also focus on democracy and what it means to be British.

Being Creative!

Creative Arts:

As part of Art and Design Technology we will be looking at creating cave paintings, making tools and weapons. We will also be designing and creating Stone Age jewellery.
 In Music we will be working on playing in rounds.

This Half Term's Homework is:

One piece of Literacy and Numeracy will be given each week. Spellings will be given each week to learn alongside times tables and pupils can research the Stone Age and present this research in any style found to be appropriate.

Homework is given on a Friday and collected the following Wednesday.
