

Class: Patrick Stewart

How can geography affect our health?

Teacher: Mrs Sacic
PE days are Tuesday
and Thursday.
Computing is on a
Tuesday.

Our Learning

Literacy:
We will be looking at the short animated film 'The Piano' by Aidan Gibbons and using this as inspiration for our writing. We will be looking at how film directors use different effects and replicating these to make our own short films.

Numeracy:
We will be revisiting place value, decimals and larger numbers, as well as consolidating number facts. After this will we revise angles, perimeter and area and solve problems.

Computing:
In computing we will be learning to be safe online, thinking about how we present ourselves and protect ourselves on the internet.

Science:
In Science we will be learning about living things and their habitats. We will be looking closely at the classification of different animals and microorganisms and how they form.

CLICK:
In these lessons we will be learning about how geography can affect our health. We will be looking at different diets from around the world and comparing these. We will also be looking at how different environments can affect health.

You can help us by,

Citizenship

Being Creative!

Remembering to send your child's PE kit on the correct days; encouraging them to read and learn their times tables and spellings at home.

SEAL / British Values:
The British Value we will be focussing on is Democracy. We will discuss what it means to live within a democratic society, discussing the rights and responsibilities we all have within the larger school community. We will put democracy into practice when we elect our new school councillors for this school year.

Creative Arts:
We will be using our knowledge from tasting different world foods to design our own dish.
In Literacy, we will become film directors and make our own short films.

This Half Term's Homework is:
To learn the Year 5 spellings and to learn by heart all multiplication and division facts up to 12 x 12.
Children will be sent one piece of Numeracy and one piece of Literacy home learning each week on a Friday to be handed back in on the following Wednesday.
Children who successfully complete homework will be rewarded in class.
