# WHAT DOES THE FILM *'FINDING NEMO'* HAVE TO SAY ABOUT TRUST?

# THINK.....

Why is it important for us to trust people?

How do you know if you are a trustworthy person?

Why is it so difficult for some people to TRUST others?

# TIME TO REFLECT – LET'S PLAY A GAME

1) Would you give a two-year old something precious and TRUST them not to break it?

2) Would you TRUST your friend, teacher or family not to break something precious?

Yes, because they are older and more likely to take care of something precious.

We probably would not do this: the child might break it because they don't understand the value of something precious.

## REFLECTION..... KEY MESSAGES.....

We need to earn other people's trust. If we let them down repeatedly, they will lose trust in us.

Let's remember that all of our relationships work on TRUST – both being trustworthy ourselves and trusting others – and that trust is fragile. We have to work hard to gain it, but we have to work even harder to build it again after it is broken.

# FINAL PRAYER

Dear Lord,

May we be as trustworthy  
towards others as we would  
like them to be towards us.

← Amen
