Some Highlights from this term!

Christmas 2025

Hello and welcome to our Christmas newsletter!

We hope you enjoy reading the insights of our life here at NLC high school. On behalf of the high school staff, we would like to thank you for your support and hope you have a Merry Christmas and a Happy New Year!

Message from the Head of School

As we reach the end of this term, I want to take a moment to reflect on what an incredible journey it has been. The energy, enthusiasm, and achievements across our school community have been nothing short of inspiring.

This term has been filled with memorable highlights. Our fabulous music concert showcased the remarkable talent and creativity of our students, leaving everyone in awe of their performances. Equally impressive was the Reindeer Run in PE, which brought festive cheer and demonstrated the determination and spirit of our young athletes. These events truly reflect the vibrant and dynamic character of our school.

I am delighted to share that our recent full school review confirmed secure standards across the school, affirming the hard work and dedication of both staff and students. This is a testament to our shared commitment to excellence and continuous improvement.

Success this term has come in many forms—academic progress, personal growth, and the countless moments of kindness and collaboration that make our community so special. Every student has achieved something to be proud of, and we celebrate those successes together.

As we look forward to the festive season, I want to extend my heartfelt thanks to our families, staff, and students for their unwavering support and positivity. Wishing you all a joyful Christmas and a restful break. We can't wait to welcome you back in the New Year for another exciting chapter!

Warmest wishes,
Heather Johnson

Poison Berries

A forbidden fruit, hoarding inside me
The nectar of poisonous plenty.
Balance me on a knife's edge, slice,
And let bliss run red across your skin.

There, you will bleed, and I will drink,
Gulping your heaven in a waterfall of want.
Let your tears become charms to dangle from my wrists,
Each one kissed before I sleep, a lullaby of sorrow I cradle
silver.

Let your heart be the stone beneath my castle,
Where I wander its hollow halls, lost without you.
Let your scar be the eternal mark of my love,
Lurking, sweet, like a plate of raspberries left out in the
summer heat.

I taste like vicious sin, and your tongue swells with pride
Each time it dares to whisper my name.
I am your forever fruit - ripe, red,
Balanced on porcelain beside the raspberries.

Angel's Wings

Too quiet. Too still. And yet, it moves me.
Sound waves are abandoned rivers, and home, just a dream
thought.
Time does not heal; it filters through my wounds, stretching
them wide.
A cruel reminder that time is only endless.
You were a beautiful thing with hunger in your eyes.
To be loved by a dotting hawk, my ailments would unravel.
Lovesick and drawn in chalk, my tears blur the outline.
Iridescent, picturesque, where rays of the sun flatter us
Entwined in golden journeys, a head rests on a straight
road.
Side by side, the thorns to my tempest,
The stars to my rain,
The stars to my grave.

What's left of us is lost.
When love is dipped in silence, the loudest words left to say
are:
I love you...
Your lips wear that quiet like a stain, but one kiss from you
And I swallow every word we never said.

THE DREAM JAR Endless Possibilities

The Silence Between Us

I walk these streets like a shadow in the sun.
The heat feels cold, the light feels strange.
I sit in rooms that feel too bright,
Too many eyes, too many laughs,
Too many whispers behind my back.
I open my mouth then close it quickly
Too scared to speak - I trip, I slip.
The words all scramble in my head.
So I just nod and smile instead.
They scream their thoughts for all to hear,
While mine stay stuck somewhere in fear.
I want to fit in, I feel like I belong
But quiet thoughts keep dragging me along...
Deep inside, I'm not like them
A different beat, a different storm
I'm like a puzzle piece, too big or too small,
No matter how I try, I don't fit in at all.
Still I wonder if they really knew the things I do.

Would they just laugh and walk away
Or stay and hear the things I do.
Would they just laugh and walk away
Or stay and hear the things that I don't say.

Ten Years Counting

Ten years to come with this wish that emits
smoke,
tangled fire will haunt my sleep,
turning days into endless nights.
Inside my chest, where brightness filters,
scorching merry songs into dull chimes,
lives a wish I will dream forever.
A longing for what the world would tremble to
hold,
what humans burn from,
something birthed only by God,
and the birds that rise with them,
there is a wish I will dream -
beyond the beasts hunted by our merry men,
Ignored by the hearts of those
who dare step into my wrath,
only to leave me rotten, alone.

I wait for the saviour -
the one who dares fall deeper.
It is a wish I will dream of in ten years to come.
I will wish for the sun, the nature, and love.

Thursday 23rd October: Wow, what an incredible evening for our girls football team! They were absolutely class, becoming the overall winners of their tournament! Brilliant goals to accurate passes, strong tackles and endless smiles (the main reason we do it), the girls gave it everything they had! Their teamwork, energy, and determination were simply outstanding. - **Miss Booth**

Monday 24th November: Some more good news from the year 7/8 girls football team. We won another tournament night, which takes us to two events unbeaten. - **Miss Booth**

Wednesday 5th November: I had the absolute pleasure of taking the U13 girls football team to take part in the EFL Utilitas Cup yesterday, commissioned by Huddersfield Town. There were 10 schools competing across all of Kirklees, with only the winner of the tournament progressing through to the next round. After a lot of group-stage matches, our girls progressed to the semi-finals, and then eventually through to the final. After a hard-fought battle and me unable to watch the majority of the game, the girls came out as champions with a 1-0 win over Mirfield Free Grammar School, winning the entire Cup. This now means that this team will represent Huddersfield Town in the next round, competing regionally against teams from all over the North of the country. Not only did they play unbelievably but they showed resilience, unreal teamwork and outstanding sportsmanship throughout the whole tournament - a real credit to NLC! - **Miss Teale**

Wednesday 8th October: The boys have done us very proud! 7-0 against Shelley! Great goals, great game, and fantastic attitude! Man of the match Daniel with hat trick with his third goal being the cherry on top. Fantastic control outside of the box with a wonderful volley to finish it off. - **Mr Bryce**

Citizenship

Shout Out

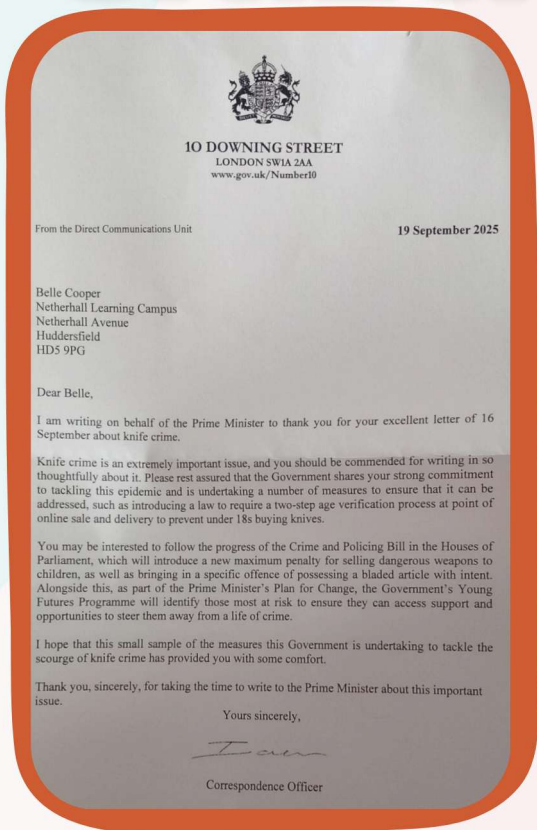

On Friday 17th October, some of my GCSE students, joined with Mrs Smith, Mrs Johnson and myself, met with our local MP Harpeet.

Our students challenged her on the lack of youth service funding in the area which they believe is the cause of many young people joining gangs and leading onto knife crime.

Belle C had already written to the Prime Minister about this issue, a letter more superior than I could have written, and she received a reply! (left).

However, Harpreet took it one step further, during Prime Ministers Questions, she asked the PM what he was doing to ensure change and told him, in front of all the MP's in the House of Commons that the students at Netherhall Learning Campus are keen to confront the issue.

Not only was I buzzing at this, but to quote Leland H, "Miss, she asked my questions as well I am proper gassed, may have to be a MP now," the students were too.

Citizenship edition

The world brings joy and gratitude
For everything that we have been through.
Even if it's not the same, we all share some pain,
So why not bring us together? No more conflict, no more bother.
In the end, we're all the same, even though we have different names.
So don't try and share the blame. We all have problems; not one can fix,
But many if we share our tricks.
So maybe if we come together and stop the shame, maybe the world can be whole again.
So, stop the bullying, stop the pain, stop discrimination—it's not a game.
Everyone is different in a good way; why should everyone be the same?
Why should kids put up with war
Who don't know what to stand for?
We all have one thing the world shares:
Human rights, the title blares.
It's basic rights a person has, no matter what you have.
It's not about fame or about glory; it's about writing your own story.
So why not start today and make discrimination go away?
Not for me, not for you, but for everyone who is going through.
It's not right; it's not okay, not in any single way.
For once, will the world hear me out?
For I will not scream or will shout,
But speak with confidence is what I'm about.
And I will make a change, starting today, to make discrimination go away.

This Poem was written by Alyssa R in Year 8 after we had completed a unit on Human Rights and discrimination. She did this off her own back and I am super proud of her!

CHRISTMAS CONCERT

"This was my last high school Christmas concert after 5 years, it was amazing! The quality of performances and the pupils involved were so good. Everyone put in the most effort and the year 12 & 13 triples made this one of the best concerts I have been a part of.

Thank you to our amazing Music Department for organising it and making it happen. Well done to Mr Harwood for his funny and fabulous pantomime. This was my last exam performance as a student at NLC high school, and it was phenomenal, thank you to Ms Turnbull for making it the best it could be. I hope everyone enjoyed it as much as I did and I hope everyone that watched it enjoyed our school's variety of talent.

Some of the groups that performed in the concert were our school choir Glee@NLC, our Wind Band, year 10 & 11 class bands, some KS3 rock bands and our steel bands alongside the Christmas pantomime. A Year 11 band performed 'Comeback Kid' and my band performed 'The Chain' by Fleetwood Mac. KS5 Also had some great performances, including 'Teddy Picker', 'Walking on Sunshine' and 'Stacy's Mum'. Glee did quite a few songs including 'Eye of the Tiger' and 'This is Me'. The KS4/5 steel band performed 'Mamma Mia' and 'Winter Wonderland', and Wind Band performed 'Pink Pony Club', 'Bohemian Rhapsody' and 't=This is Me' alongside a 'Christmas Carol March' - **KS4 Student Evie K**

"This was my very last Christmas Concert after 7 years of performing. It has been an amazing experience and has benefited me massively. The event itself was a huge success. We had around 350 people (Parents, Staff and Students) in the event, and a lot of amazing performances. Me and my class (Jaime, Daniella, Charlie, Caitlin, Maciej & David) were behind the setup of the event. Not only that, we had Caitlin, Maciej, David and Charlie working on and off stage at the event, and me, Daniella and Jaime working on the sound and light desk. We all worked hard, and so did all the staff and students that contribute to this event, we can't do it without them!

There were not really any issues and it all ran very smoothly, making for one of the best Christmas Concerts. Overall, it was really fun, and an enjoyable event. I will miss doing this concert, but bring on Battle of the Bands in February!!! - *Triple Music Student, Decent Pianist, Excellent Flutist, Amazing Steel Pan Player, The Guy Who Got Lost In Disneyland* - **Project Lead & Chief 25/26 Hayden B**

“Just before the end of the half term, our CMSS Music Academy students hosted their first event of year, ironically being called ‘Back to the Music’. The event was planned and run by our Year 12 & 13 Triple Music students, but all KS5 Music (Year 12 & 13 Singles & Triples) got the chance to perform.

LUNCH TIME CONCERT

For over a month, the Triple Music Students worked hard to ensure everything was planned well, with Hayden being the Project Lead, Daniella being the Advertising Lead, Jaime and Hayden were the Tech Leads, Charlie the Contingency and Mitigation Lead, Maciej the Media Organiser, and finally, David and Caitlin the Set Dressing Lead.

You can see a massive amount of work was put in with a big team of people working hard to ensure the event went well. But what did people think of the event? Helen, head of music, had to say ‘This was the first major event of the year and the KS5 Music Academy Team did an excellent job organising the event and running the show. I am very proud of their achievements’. Here is what a student had to say, ‘It was very well put together, the lighting was very good, and it was an enjoyable experience’. Overall, the event was a success, and despite a fire drill, the students were still able to continue like nothing happened. Well Done CMSS Music Academy!!”

NATIONAL BRASS BAND CHAMPIONSHIPS

Helen Turnbull and NLC/CMSS Alumni Fenella S recently competed at the National Brass Band Championships of Great Britain at The Royal Albert Hall in London. Both are members of The Hepworth Brass Band, based in The Home Valley in Huddersfield, currently ranked 13th in the world. The band competed against the top 20 bands in the country and finished 6th, which is a major achievement in a contest full of the best bands in the world, with all three Yorkshire qualifying bands finishing in the top 6 (The Black Dyke Band 2nd, Brighouse & Rastrick Band 5th and The Hepworth Band 6th). On the day The Hepworth Band beat 4 bands ranked above them in the world stats. Helen Turnbull commented on how proud she is of NLC/CMSS Alumni Fenella, who has gone on to study Music at Sheffield University, has eps on Spotify and is set to play Tramlines festival next year. On the day Fenella had some important percussion solos to play that helped the band in their success. Helen performed as part of the bands cornet section and received praise for their section playing from the adjudicators.

Trips & Workshops

World War 1

A big shout out to Jack Massey for organising the WW1 workshop. The artefacts were amazing to be able to look at and actually hold, the kids got really stuck in.

Attendance Reward Trip

The Year 8 'Hundy P' attendance trip took place on the 6th and 7th of November. 30 students with excellent attendance were invited to a fully funded 'Connecting to Nature' residential in Sherwood Forest, where they built survival shelters, played team building games and were taken on a tour of Sherwood Forest by Friar Tuck himself, where they learnt all about the legend of Robin Hood and his Merry Men and got to see one of the oldest oak trees in England.

The pupils and staff really enjoyed the experience and thankfully the weather was kind to us.

Looking forward to hopefully rewarding next year's 100% attendees from year 7 with a similar trip.

Ceramics

In November, the year 12 and 13 Fine Art students, along with a small group of GCSE Art students, took part in a ceramics workshop at Globe Arts, Slaithwaite. During the workshop, they created pinch pot, slab and wheel thrown pottery pieces. The pieces were then glazed and fired for students to use as part of their A level and GCSE coursework.

Life Skills with **MR DOC**

As we are all painfully aware, the cost of living crisis in this country is very challenging for families, many unfortunately have to choose between eating or heating. With this in mind I set the students a task of researching and presenting an evening meal for themselves and their family. They were responsible for finding a supermarket where they could buy ingredients to make a nutritious meal that was also cost effective. This life skills task also included food hygiene, cleaning and cooking techniques including knife safety. – Mr Docherty

Thomas B – "I loved the whole independent work in the supermarket, I've never made fresh meatballs before so I'm looking forward to obtaining new skills."

Owen D – "I really liked the puzzle of sticking to a budget, I think cooking from scratch might be a challenge."

Finlay T – "I enjoyed looking for items in the store and using the self service check out, I can't wait to hopefully show Mrs Johnson how well I can cook"

Charlotte H – "I loved budgeting for my meal and enjoyed buying the ingredients, I'm excited to cook too"

NLC CAREERS FAIR

A big thank you to everyone who supported the careers fair, we've received lots of positive feedback from exhibitors, particularly about the conduct and enthusiasm of our students.

Our ambassadors were especially praised, with Udham B being singled out by name though I must say, every single ambassador worked their socks off and represented us brilliantly.

To be told on more than one occasion that we host the best school events some of these organisations attend was truly wonderful to hear!

JUNIOR GENIUS SCHOLARS PROGRAMME

CAREERS @ THE JUNIORS

Our Year 6 head boy and girl and deputies supported local police in their traffic managements as we work hard to make our school community safer. School roads can be busy at the start and the end of the school day and our young officers were on the beat raising awareness for parents and carers.

– Head of Junior School
Mrs Lowe

I'm absolutely delighted to share some incredible news about four of our students who have been selected for the prestigious Junior Genius Scholars Programme, a two-year national STEM scholarship supporting talented and motivated students in Years 10 and 11.

This is a highly competitive programme, with only 40 students selected across the entire UK. Even more impressively, just 20 places were awarded outside of London, and a remarkable 20% of those have gone to NLC students! What an outstanding achievement and a testament to the hard work, talent, and ambition of our young people.

Please join me in congratulating our successful students – Duaa A, Millie H, Tara T & Harrie H, they have been fantastic throughout :

Their dedication in preparing for the interview

Their confidence and professionalism at the interview

And their commitment to exploring future careers in STEM, entrepreneurship and innovation.

As Junior Genius Scholars, they will benefit from:

- A brand-new laptop
- Fully funded travel and participation in national STEM events including a workshop, lecture and campus tour of Oxford University
- Work experience placements in technology, business, and research at Computacenter, Hatfield & a two week summer placement post GCSES at another top London company
- Summer Entrepreneurship placement at a top London Company
- One-to-one tuition in the subject they find the most difficult prior to their GCSES
- A STEM mentor for the next two years
- A graduation ceremony at the House of Lords

COMMUNITY ON THE CAMPUS

HD5 HUB and the AP Unit teamed up to fund and fit a new fence at the infants, the students did an incredible job.

A lovely afternoon of decorating and hot chocolate was had with students Mahnoor N, Shola D, Charlotte E and Noah M.

The fresh fruit donations from the community room has brought a quiet but powerful transformation to my students, I've watched them arrive to lessons brighter and more focused, gathering around the fruit bowl has really brought the students together. – Mrs Le

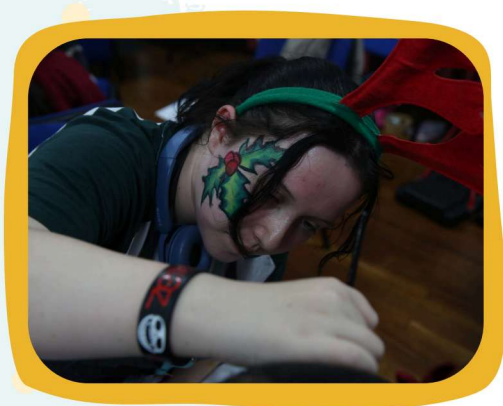

BREAKFAST CLUB

24/10/25 – This half term, we have fed an unbelievable 4404 mouths – with 1079 children at the Infants, 1551 at the Juniors and 1954 at the high school. Everything to do with breakfast club is funded through grants and donations, with particular support from the Huddersfield Town Foundation. Without this generosity, we simply couldn't do what we do.

INFANTS CHRISTMAS FAYRE

The most wonderful time was had at the Infants Christmas fayre, thank you to all involved including the Creative and Media Studio Students.

NLC Goes all out for Children in Need!

Wow! What a day it was...

NLC's Children in Need Day was nothing short of extraordinary this year, bringing together students and staff with a packed day of activities, laughter, and heartfelt giving.

The event showcased everything that makes the NLC community special: enthusiasm, creativity, and a shared commitment to supporting an important cause.

From the moment the event started, energy buzzed across the school as students eagerly rotated through a wide range of activities designed to entertain, challenge and inspire, whether sporty, strategic or artistic, there was something for everyone.

Thank you to all who organised activities, donated and made delicious cakes for the bake off.

Shout out to Leo S for going all out on the outfit!

Congratulations to Mr Olsen for winning the staff bake off with his mouth watering Lemon Drizzle cake.

Mrs Falaoui was a worthy runner up with another one of her amazing cakes.

Reminder of Equipment & Uniform requirements

We want every pupil to start the day in a positive way with correct uniform and equipment. It is vital that your child has the correct equipment every day for school so that they are **Ready to Learn** from minute one of the lesson. The basic equipment of a bag, black pen, red pen & ruler has been extended to having a refillable water bottle. We no longer provide plastic cups, but do still provide water fountains where your child can fill up their reusable water bottle at break and lunch time to last them through the day.

We can support your family in getting the right equipment & uniform for your child. Simply contact Claire Hartley on hartleycl@nlconline.org.uk

We also offer an equipment store, where pupils can swap achievement points for basic equipment at the Pastoral Office, between 8am and 8:40am everyday.
