

FASCINATING FACTS

The Nobel Peace Prize

Alfred Nobel was a 19th century Swedish inventor and engineer. He invented dynamite, which was used to destroy many things! Perhaps because of this, in his will, Nobel left money and instructions to award five special prizes each year. He said that one of these, the Nobel **Peace** Prize, should be given to a person, or group of people, who had done the most or best work to promote **peace** between nations.

- The Nobel **Peace** Prize is presented in Oslo on 10th December each year by the King of Norway
- The winner is given a diploma, a medal and over 1 million US dollars to carry on their work

Home learning challenge

Can you find out the name of someone who has won the Nobel peace prize? Tell your teacher for a sticker or Dojo point in school.
Can you draw a picture of them?

Don't forget to send us pictures via Dojo or the school email address:

infants@nlconline.org.uk

This term our Christian value is **Peace**

In school, children will have been learning about different kinds of peace including peace that comes when it is quiet, the things that make for peace of mind and the qualities of a peacemaker. In this issue of Home School Values, we will be focusing on the last of these. All families have disagreements and arguments from time to time.

- What are the things that cause members of your family to fall out?
- Are there particular times of the day that arguments happen?
- How do each of you feel inside at these times?

PEACE

Words of Wisdom

“You cannot shake hands with a clenched fist” Golda Meir/Indira Gandhi
