

Love & Friendship Collective Worship

Monday 23rd February 2026

**How does Jesus want us to
show our love for each
other?**

**How does Jesus want us to
treat each other as friends?**

Gathering.....

In our worship together this morning we are going to be thinking of 2 values, **LOVE** and **FRIENDSHIP**

THINK to yourself for a moment about these 2 things....

- 1) Can you think of someone you **LOVE**?
- 2) Can you think of someone you like to play with and what you like to play together?

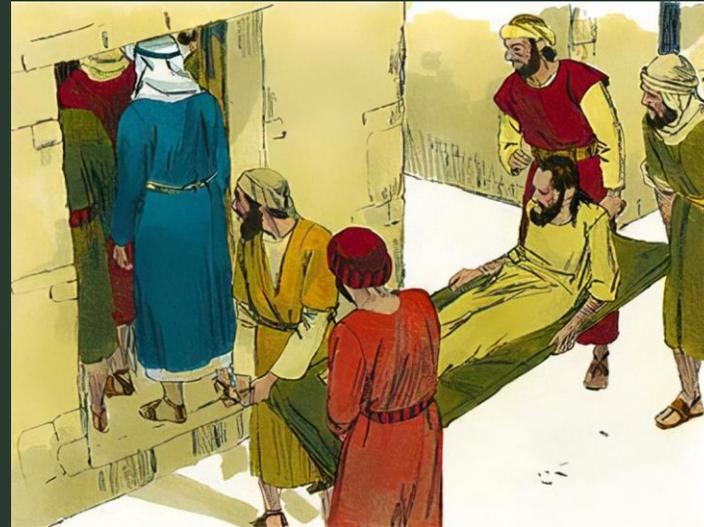

Engaging.....

We can link many stories in the bible to **LOVE** and **FRIENDSHIP**.
Some you may be familiar with.....

God provides a friend for
Adam

We were created for
FRIENDSHIP

Four friends take their
friend to see Jesus

Friends are kind, they
LOVE and help one
another

FRIENDSHIPS....

Can you finish the pair.....

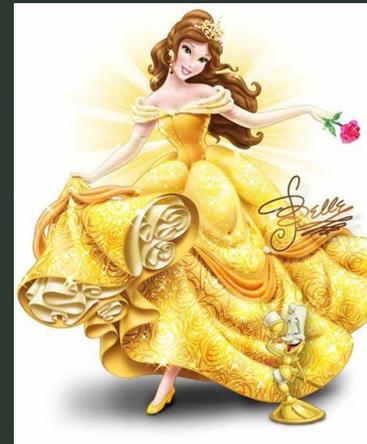

Woody and Buzz

Peppa Pig and Suzy Sheep

Anna and Olaf

Beauty and the Beast

Responding & Reflecting.....

Close your eyes.

Think about your best friend.

What do you like doing together?

Think about something you laughed about together.

Think about a time they made you feel better about something.

Now in your head thank God for your friend.

Ask God to bless them.

Prayer

LOVE

**Holy and loving God we
place those people we
love into your hands.
Thank you that you are a
wise and loving God who
give us many people to
love us.
We place each one into
your loving care.
Amen**

FRIENDSHIP

**Lord Jesus, you had the disciples as
your closest friends. You were glad
of their friendship and they helped
you. We thank you for our friends
because they make our lives better
by helping us and being there to
share things with.
Amen**
