

PE

In PE, we will be focusing on gymnastics and the key gymnastic shapes. With our PE coach Bryn we will be orienteering and learning map skills.

Geography

In geography, we will be looking at aerial images from landmarks from out of space, while asking and answering geographical questions.

History

In history, we will be creating a chronological timeline of events into space.

We will also be researching significant individuals that travelled into space such as; Neil Armstrong and Tim Peake

PSHE

In Jigsaw, we will be focusing on the topic 'Healthy Me!'. We will be looking at what is healthy and unhealthy and understanding the physical and mental benefits from living a healthy lifestyle.

Art

We will be using a variety of materials such as pastels and chalk to create a solar system picture. We will also be looking at the artist Vincent Van Gough, recreating our own starry night pictures.

To Infinity and Beyond!

ICT

- Purple Mash: 2go space man coding
- Dazzle: Creating a solar system
 - Bee-bots: algorithms
- Purple Mash: Solar System fact file
 - E-safety

RE

In RE we will be exploring stories about important figures in the Old Testament, and talking about their significance for Christian's today.

Science

In science, we will be developing our investigative skills. We will be looking at experiments which involve rockets. We will also continue with our CREST awards.

Music

In Music, we will be carrying on with our Charanga programme. We will be focusing on Latin style music involving instruments.
