Overview

This Safeguarding & Child Protection Policy is available on Kirklees Business Solutions School Safeguarding Officers page website and is reviewed and ratified annually

Part 1 of this policy is for all staff and governors

Part 2 principally for use by Designated Safeguarding Staff, lead governors and senior leadership teams

Part 2 of this policy document has a suite of model pro-forma for schools to adapt to support their own in-house safeguarding arrangements.

1. Aims

The school aims to ensure that:

- Appropriate action is taken in a timely manner to safeguard and promote children's welfare
- All staff are aware of their statutory responsibilities with respect to safeguarding
- Staff are properly trained in recognising and reporting safeguarding issues
- The Governing Body and staff of Netherhall Learning Campus (hereinafter referred to as "our school") take as our first priority the responsibility to safeguard and promote the welfare of our pupils, to minimise risk and to work together with other agencies to ensure rigorous arrangements are in place within our school to identify, assess and support those children who are suffering harm and to keep them safe and secure whilst in our care
- The responsibilities set out in this policy apply (as appropriate) to all members of the school community including pupils, staff, governors, visitors/contractors, volunteers and trainees working within the school. It is fully incorporated into the whole school/college ethos and is underpinned throughout the teaching of the curriculum, within Personal, Social and Health Education (PSHE) and within the safety of the physical environment provided for the pupils

2. Legislation and statutory guidance

- This policy is based on the Department for Education's statutory guidance, [Keeping Children Safe in Education 2019](#) and [Working Together to Safeguard Children \(WTTSC 2018\)](#), we comply with this guidance and the procedures set out by our Local Safeguarding Children partnership

This policy is also based on the following legislation:

- Section 175 of the [Education Act 2002](#), which places a duty on schools and local authorities to safeguard and promote the welfare of pupils
- [The School Staffing \(England\) Regulations 2009](#), which sets out what must be recorded on the single central record and the requirement for at least one person on a school interview/appointment panel to be trained in safer recruitment techniques

- [The Children Act 1989](#) (and [2004 amendment](#)), which provides a framework for the care and protection of children
- General Data Protection Act (2019) [Guide to the General Data Protection Regulation - GOV.UK](https://www.gov.uk/government/publications/guide-to-the-general-data-protection-regulation)<https://www.gov.uk/government/publications/guide-to-the-general-data-protection-regulation>
- Data Protection Act <http://www.legislation.gov.uk/ukpga/2018/12/contents/enacted>
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the [Serious Crime Act 2015](#), which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- [Statutory guidance on FGM](#), which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- [The Rehabilitation of Offenders Act 1974](#), which outlines when people with criminal convictions can work with children
- Schedule 4 of the [Safeguarding Vulnerable Groups Act 2006](#), which defines what 'regulated activity' is in relation to children
- Statutory [Guidance on the Prevent duty](#), which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism
- Guidance for safer working practice for those working with children and young people in education settings (GSWP) (Safer Recruitment Consortium May 2019)
- Kirklees Safeguarding Children Partnership Procedures <https://www.kirkleessafeguardingchildren.co.uk/procedures-local-protocols-and-guidance/>
- Children Missing Education – Statutory guidance for local authorities (DfE September 2016) <https://www.gov.uk/government/publications/children-missing-education>
- The policy conforms to locally-agreed inter-agency procedures and has been developed by Kirklees Safeguarding Children's Partners. It is available to all interested parties on our website and on request from the main school office. It should be read in conjunction with other relevant policies and procedures and Keeping Children Safe in Education
- Elective Home Education <https://www.gov.uk/government/publications/elective-home-education> Guidance April 2019
- The [Childcare \(Disqualification\) Regulations 2018](#) and [Childcare Act 2006](#), which set out who is disqualified from working with children

- This policy also meets requirements relating to safeguarding and welfare in the [statutory framework for the Early Years Foundation Stage](#)

3. Definitions

Safeguarding and promoting the welfare of children means:

- Protecting children from maltreatment
- Preventing impairment of children's health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes
- **Child protection** is part of this definition and refers to activities undertaken to prevent children suffering, or being likely to suffer, significant harm
- **Children** includes everyone under the age of 18

4. Equality statement

Some pupils have an increased risk of abuse, and additional barriers can exist for some pupils with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise pupil's diverse circumstances. We ensure that all pupils have the same protection, regardless of any barriers they may face.

We give special consideration to pupils who:

- Have special educational needs or disabilities
- Are young carers
- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality
- Have English as an additional language
- Are known to be living in difficult situations – for example, temporary accommodation or where there are issues such as substance abuse or domestic violence
- Are at risk of Female Genital Mutilation (FGM), sexual exploitation, criminal exploitation, forced marriage, or radicalisation

- Are asylum seekers, refugees or migrants

5. Roles and responsibilities

Safeguarding and child protection is **everyone's** responsibility. This policy applies to all staff (including those not directly employed by this school), volunteers, and governors in this school. Our policy and procedures also apply to extended school and off-site activities

All staff

- All staff will read and understand part 1 and Annex A of the Department for Education's statutory safeguarding guidance, [Keeping Children Safe in Education](#) (KCSiE) and review this guidance at least annually

All staff will be aware of:

- Our systems which support safeguarding, including Guidance for Safer Working Practice, the role of the designated safeguarding lead (DSL), the behaviour policy, and the safeguarding response to pupils who go missing from education
- The early support process and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment
- The process for making referrals to Kirklees children's services duty and advice and for statutory assessments that may follow a referral, including the role they might be expected to play. (Fig 1 page 10) illustrates the procedure to follow if you have concerns about a child's welfare. Wherever possible, speak to the DSL, deputy DSL or head teacher (in the absence of a DSL) first to agree a course of action. In the absence of a DSL or head teacher being available, staff must not delay in directly contacting duty and advice team or the police if they believe a child is at immediate risk of significant harm
- We work in partnership with other agencies in the best interests of the children. Requests for service to children's social care duty and advice team should (wherever possible) be made by the designated safeguarding lead. Where a pupil already has a child protection social worker, we will immediately contact the social worker involved or in their absence, the team manager of the child protection social worker
- What to do if they identify a safeguarding issue or a pupil tells them they are being abused or neglected, including specific issues such as female genital mutilation (FGM), and how to maintain an appropriate level of confidentiality while liaising with relevant professionals
- In school procedures for recording any cause for concerns and passing information on to DSLs in accordance with school's recording systems

The signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child sexual exploitation (CSE), child criminal exploitation (CCE), female genital mutilation (FGM) and radicalisation

[Appendix 1 details different kinds of abuse.](#)

[Appendix 2 provides guidance to staff on how to handle disclosures.](#)

The designated safeguarding lead (DSL) and deputy designated staff:

- Our DSL team across the Campus (as stated on page 3) The DSL team takes lead responsibility for child protection and wider safeguarding
- During term time, the DSL team will be available during school hours for staff to discuss any safeguarding concerns
- The DSL team can be contacted in the following ways:
- Sam Diskin – NLC Secondary Phase, 01484 382140
 - diskins@nlconline.org.uk
- Suzy Mattock – NLC Secondary Phase, 01484 382140
 - mattocks@nlconline.org.uk
- Zoe Lowe – NLC Junior Phase, 01484 300080
 - lowez@nlconline.org.uk
- Karen Coates – NLC Infant Phase (Rawthorpe St James CofE), 01484 226601
 - coatesk@nlconline.org.uk
- Ruth Dickinson - NLC Infant Phase (Rawthorpe St James CofE), 01484 226601
 - dickinsonr@nlconline.org.uk
- When the DSL is absent, the Deputy DSL will act as cover:
- Angela Shufflebottom – NLC Post 16 Phase, 01484 382140
 - shufflebottoma@nlconline.org.uk
- Sarah Greenwood - NLC Infant Phase (Rawthorpe St James CofE), 01484 226601
 - greenwoods@nlconline.org.uk
- If the DSL and deputy are not available, Michael Kent (Principal) will act as cover (for example, during out-of-hours/out-of-term activities)

The DSL will be given the time, training, resources and support to:

- Provide advice and support to other staff on child welfare and child protection matters
- Take part in strategy discussions and inter-agency meetings and/or support other staff to do so
- Contribute to the assessment of pupils
- Refer suspected cases, as appropriate, to the relevant body (children's social care duty and advice team, Channel programme, and/or police), and support staff to comply with their mandatory reporting duties in cases where Female Genital Mutilation has been identified
- Suzy Mattock (Secondary), Zoe Lowe (Juniors) and Karen Coates (Infants) will ensure that all staff involved in direct case work of vulnerable pupils, where there are child protection concerns/issues, have access to regular safeguarding supervision
- The DSL will also keep the Principal informed of any issues, and liaise with local authority officers and relevant professionals for child protection concerns as appropriate

- We will ensure representation at appropriate inter-agency meetings such as Initial and Review Child Protection Conferences, and Planning and Core Group meetings, as well as team around the family meetings (TAF)
- Provide reports as required for meetings. If we are unable to attend a meeting, a written report will be sent. Reports will, wherever possible, be shared with parents/carers at least 24 hours prior to the meeting
- Where a pupil in school is subject to an inter-agency child protection plan or any multi-agency risk management plan, the designated safeguarding lead will contribute to the preparation, implementation and review of the plan as appropriate

The full responsibilities of the DSL are set out in Annex B of Keeping Children Safe in Education (KCSiE) – Role of the designated safeguarding lead. All designated safeguarding leads and deputy safeguarding leads must read and comply with this (<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>)

The Governing Body

- The governing body will approve this policy at each review and hold the head teacher to account for its implementation
- The governing body will appoint a lead governor to monitor the effectiveness of this policy in conjunction with the full governing body. The DSL cannot also be the lead governor with responsibility for child protection
- In the event that an allegation of abuse is made against the head teacher, the chair of governors will act as the ‘case manager’
- The governing body, along with the school’s senior leadership team, are responsible for satisfying themselves and obtaining written assurances from any relevant school lettings and alternative/off site providers and provisions that their safeguarding arrangements are secure and in keeping with Keeping Children Safe in Education (KCSiE). This school use the following alternative or off-site providers and have written evidence of safeguarding arrangements
- Kirklees College
- ETHOS Academy Trust (PPRS, Primary and Secondary)

The full responsibilities of the governing body are set out in Part Two of KCSiE – The management of safeguarding. All governing bodies should read Part Two of KCSiE in order to ensure that the school is fully compliant with their statutory safeguarding responsibilities

The Principal

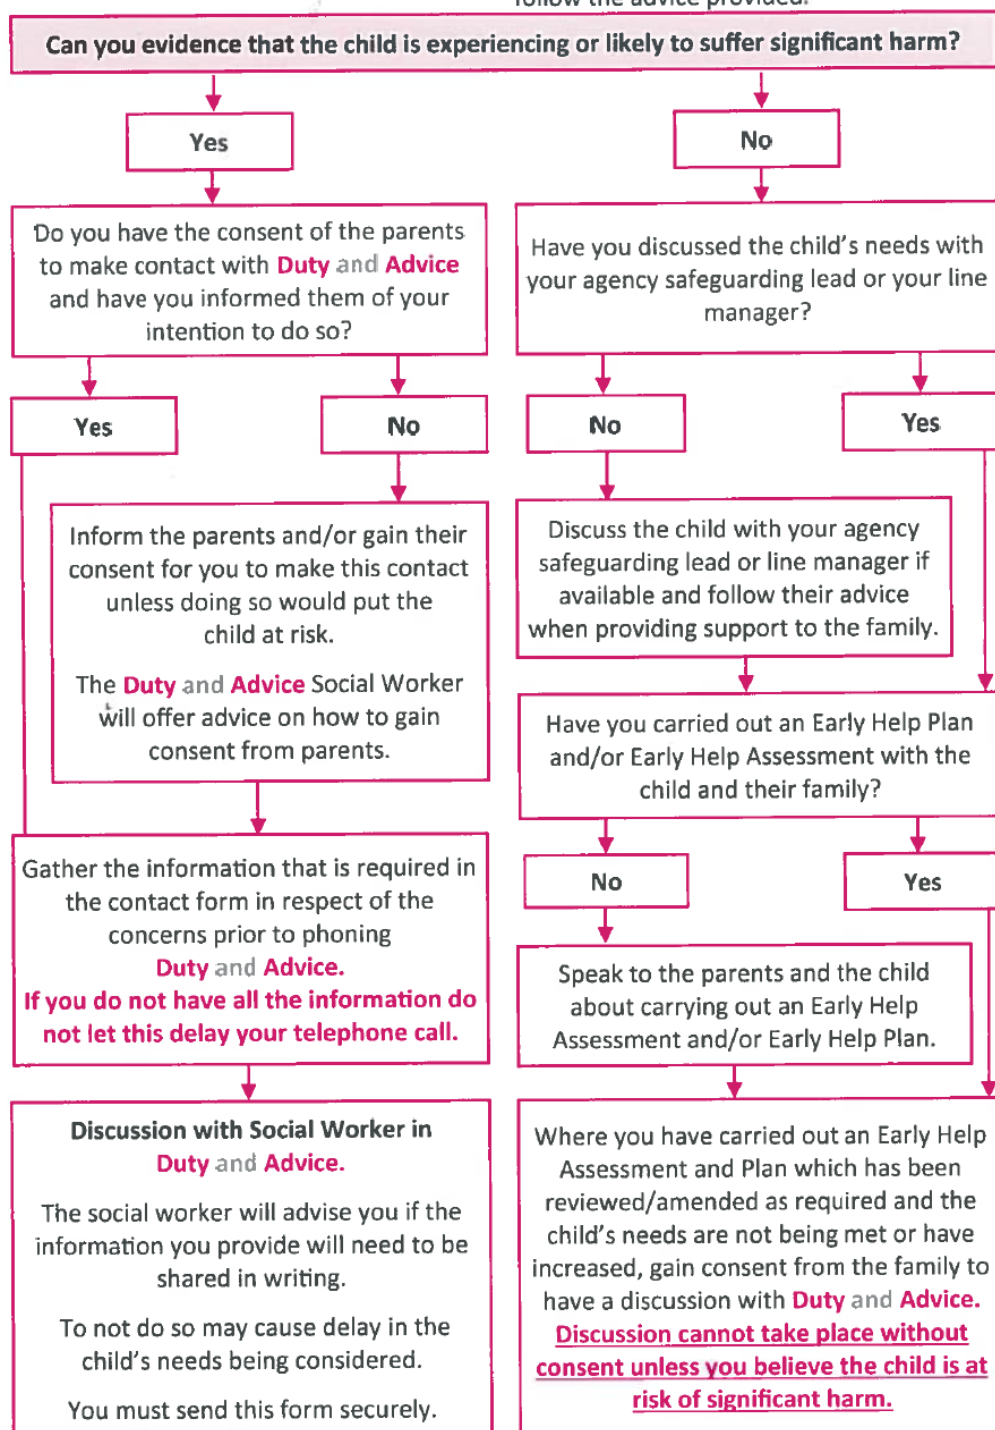

The Principal is responsible for the implementation of this policy, including:

- Ensuring that staff (including temporary staff) and volunteers are informed of this policy as part of their induction
- Communicating this policy to parents when their child joins the school and via the school website
- Ensuring that the designated safeguarding lead has appropriate time, training and resources, and that there is always adequate cover if the DSL is absent
- Ensuring that all staff undertake appropriate safeguarding and child protection training and update this regularly
- Acting as the 'case manager' in the event of an allegation of abuse made against another member of staff or volunteer, where appropriate.
- Ensuring the relevant staffing ratios are met, where applicable
- Making sure each child in the Early Years Foundation Stage is assigned a key person.

Fig 1 Summary of School Procedure to Follow Where There Are Concerns about a Child

Flowchart

Before contacting the **Duty and Advice** Team and completing a contact form, please answer the following questions and follow the advice provided:

6. Confidentiality

- Confidentiality is an issue that needs to be understood by all those working with pupils particularly in the context of safeguarding
- This School recognises that the only purpose of confidentiality in this respect is to benefit the pupil. Staff, volunteers and visitors to school should never promise a pupil that they will not tell anyone about an allegation or disclosure and must pass any cause for concerns immediately to a designated safeguarding lead
- Confidentiality is addressed throughout this policy with respect to record-keeping ([section 12](#)), dealing with disclosure ([Appendix 2](#)), allegations of abuse against staff ([section 11](#)), information sharing and working with parents ([section 6](#))
- School will follow the confidentiality policy when managing any disclosures of pregnancy by pupils. This will always consider the schools responsibility to safeguard the pupil and promote their welfare.

Information sharing and GDPR

- Timely information sharing is essential for effective safeguarding. This school and college will share safeguarding information as appropriate in keeping with the principles outlined in the government guidance document, [Information sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers \(DfE 2018\)](#). This guidance has been produced to support practitioners in the decisions they take to share information, which reduces the risk of harm to children and young people and promotes their well-being
- The storing and processing of personal data is governed by the General Data Protection Regulations 2017 (GDPR) and Data Protection Act 2018. This school will give clear advice to staff about their responsibilities under this legislation so that, when considering sharing confidential information, those principles should apply
- Staff may have access to special category personal data about pupils and their families which must be kept confidential at all times and only shared when legally permissible to do so and in the interest of the child. Records should only be shared with those who have a legitimate professional need to see them

Working with parents and other agencies to protect children

Parents/carers should be aware that our school will take any reasonable action to safeguard the welfare of its pupils. In cases where the school has reason to be concerned that a child may be suffering significant harm, ill treatment or neglect or other forms of harm, staff have no alternative but to follow the Kirklees Safeguarding Children's Partnership procedures and contact the duty and advice team to discuss their concerns

In keeping with Keeping Children Safe in Education (KCSiE) we will endeavour wherever possible to obtain at least two emergency contacts for every child in the school in case of emergencies, and in case there are welfare concerns at the home

In general, we will discuss concerns with parents/carers before approaching other agencies and will seek to inform parents/carers and receive their consent when making a referral to another agency. Appropriate staff will approach parents/carers after consultation with the designated safeguarding lead. The exception to this rule will be in situations where a member of staff has reasonable cause to believe that informing parents/carers of a referral to another agency may increase the risk of significant harm to the pupil

Parents/carers are informed about our safeguarding policy through school prospectus, website, newsletters etc. A safeguarding and child protection statement is prominent in the school foyer/reception area

Multi-agency work

We will co-operate with Kirklees Safeguarding Children Partnership in accordance with the requirements of the Children Act and allow access to pupil and child protection records for them to conduct section 17 or section 47 assessments

In the best interests of our pupils, we will work with all relevant professionals and agencies as required to safeguarding children and promote their welfare

7. Our role in the prevention of abuse

We will identify and provide opportunities for children to develop skills, concepts, attitudes and knowledge to promote their safety and well-being.

The curriculum

Relevant issues will be addressed through Relationships Education and Relationships and Sex Education (formally known as Relationships Sex Education) tutorials (in colleges) and/or where delivered, through Personal, Social, Health and Economic (PSHE) Education, including self-esteem, emotional literacy, assertiveness, power, relationships education, relationship and sex education, health education, online safety, online bullying, sexting, child sexual exploitation (CSE), child criminal exploitation (CCE), gangs, youth generated images, female genital mutilation (FGM), preventing radicalisation, peer on peer abuse and anti-bullying

Relevant issues will be addressed through other areas of the curriculum. For example, circle time, English, History, Drama, PSHE, Art and assemblies

Other areas of work

All our policies that address issues of power and potential harm, e.g. Anti-Bullying, Equal Opportunities, Positive Handling, Behaviour, will be linked to ensure a whole school approach

Our Safeguarding and Child Protection policy cannot be separated from the general ethos of the school which ensures that children are treated with respect and dignity, feel safe, and are listened to

Safeguarding incidents and/or behaviours can be associated with factors outside the school or college and can occur between pupils outside the school or college. All staff, but especially the designated safeguarding lead and deputy designated safeguarding lead will consider the context within which such incidents and behaviours occur. This is known as Contextual Safeguarding, which simply means assessments of children should consider whether wider environmental factors are present in a child's life that are a threat to their safety and welfare

8. Our role in supporting children

We will offer appropriate support to individual children who have experienced abuse or who have abused others

In cases where pupils have experienced abuse/abused others, the designated safeguarding lead should ensure that appropriate support is offered. An individual risk assessment will be devised, implemented and reviewed regularly should the pupil (victim, perpetrator, of other child affected) require additional pastoral support/intervention

Early Support

If we identify additional unmet needs for a pupil that does not require intervention by social workers then in the first instance it may be beneficial to speak to the **casework consultant linked to our community hub**. They can advise us whether family support may be required, this may help us to understand what support we can offer if we complete an Early Support Assessment (ESA). The Early Support Assessment should be a tool in its own right and not a referral mechanism

For pupils whose needs and circumstances make them more vulnerable, a coordinated multi-disciplinary approach is usually best, based on an **Early Support Assessment**, with a Lead Practitioner to work closely with the child and family to ensure they receive the right support

When we complete an Early Support Assessment

- The information required to evidence that more targeted or statutory services are needed will be better informed by a good quality assessment having been carried out
- If it is not clear who is best placed to provide the support an early support assessment (ESA) will be requested prior to accepting a referral
- If it is clear that additional support is required from the Family Support Service then a referral will be accepted without an early support assessment (ESA) in order to prevent delay in offering support ([Appendix 13](#))
- Monitoring of referrals made without assessments will be routinely reported to the Kirklees Safeguarding Children Partnership in order to promote improvement in assessment practice within all partner agencies
- If the referral is relating to a family where there is an existing team around the family meeting (TAF) an early support assessment (ESA) should have already been completed and therefore should be included with the referral

Children with additional needs

- This school recognises that while all pupils have a right to be safe, some pupils *may* be more vulnerable to abuse e.g. those with a disability or special educational need, those living with domestic violence or drug/alcohol abusing parents, etc
- When we are considering excluding, either fixed term or permanently, a vulnerable pupil or a pupil who is either subject to a S47 Child Protection plan or there have previously been child protection concerns, we will undertake an informed (multi-agency where other professionals are involved) assessment prior to making the decision to exclude. In the event of a one-off serious incident resulting in an immediate decision to permanently exclude, the assessment must be completed prior to convening a meeting of the Governing body

Children in Specific Circumstances

This school follows the Kirklees Safeguarding Children Partnership (<https://www.kirkleessafeguardingchildren.co.uk/>) online multi-agency procedures and will, where necessary, have due regard to the government guidance for children in specific circumstances as outlined in Part 1 and Annex A of Keeping Children Safe in Education (KCSiE)

Female Genital Mutilation (FGM) the Mandatory Reporting Duty

- The Department for Education's Keeping Children Safe in Education explains that FGM comprises "all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs"
- FGM is illegal in the UK and a form of child abuse with long-lasting, harmful consequences. It is also known as 'female genital cutting', 'circumcision' or 'initiation'
- **Any teacher** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** will immediately (in consultation with the designated safeguarding lead) report this to the police, personally. This is a statutory duty, and teachers will face disciplinary sanctions for failing to meet it
- The duty above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff will not examine pupils
- **Any other member of staff** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** will speak to the designated safeguarding lead and follow our local safeguarding procedures
- **Any member of staff** who suspects a pupil is *at risk* of FGM [or discovers that a pupil age 18 or over appears to have been a victim of FGM] will speak to the DSL and follow our local safeguarding children's partnership procedures

So - called 'Honour- based' violence (including forced marriage)

School recognise that so-called 'honour-based' violence (HBV) encompasses incidents of crimes which have been committed to protect or defend the honour of the family and/or the community. Abuse committed in this context often involves a wider network of family or community pressure and can involve multiple perpetrators. If staff in our school have a concern regarding a pupil that might be at risk of HBV or who has suffered from HBV they will immediately speak to the designated safeguarding lead who will follow the schools safeguarding procedures.

Radicalisation

Radicalisation is defined as the process by which people come to support terrorism and violent extremism and, in some cases, to then participate in terrorist groups. For further information on this subject please refer to pages 84 to 86 of Keeping Children Safe in Education (2019)

Responding to concerns about radicalisation

- If staff are concerned about a change in the behaviour of an individual or see something that concerns them **(this could be a colleague too)** they will seek advice appropriately with the designated safeguarding lead who will contact The Prevent Hub–01484 483747 for further advice ([appendix 9](#))
- We will assess the risk of pupils being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. This means being able to demonstrate both a general understanding of the risks affecting pupils in the area and a specific understanding of how to identify individual pupils who may be at risk of radicalisation and what to do to support them. The Prevent hub will advise us and identify local referral pathways
- Effective early support relies on all our staff to be vigilant and aware of the nature of the risk for pupils and what support may be available. Our school will ensure that as far as possible all front line staff will undertake Prevent awareness training (e.g. Workshop to Raise Awareness of Prevent [WRAP])
- For more information about Prevent in Kirklees, including referral forms and project examples please visit the Kirklees Prevent website www.kirklees.gov.uk/prevent or contact the hub via 01924 483747 Anycomms "Prevent Referral"

Peer on peer abuse: Sexual violence and sexual harassment between children in schools and colleges

- We recognise that pupils can abuse their peers and that peer on peer abuse can manifest in many different ways, including on-line bullying, youth produced imagery (sexting), criminal and sexual exploitation, upskirting, initiation and inappropriate harmful sexualised behaviours. It is very clear that this abuse should always be treated seriously, and never just as banter or part of growing up. Any concerns around peer on peer abuse must be reported and recorded in line with the child protection procedures outlined in this policy. It should be noted Upskirting became a criminal offence in April 2019 and any such incidents, in line with this policy should be treated as such. Upskirting typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. The designated safeguarding lead is responsible for responding to such concerns in keeping with Kirklees Safeguarding Children Partnership protocols. The designated safeguarding lead is responsible for providing support to any victims, and the perpetrators
- Where pupils have exhibited inappropriate/harmful sexualised behaviour and/ exhibited inappropriate harmful sexualised behaviours towards others, the Brook Traffic Light assessment tool will be used, and contact made with duty and advice if appropriate ([Appendix 8](#)). A co-ordinated multi-agency approach through a risk assessment management plan (RAMP) to respond to their needs which will include parent/carers, youth justice (where appropriate), children's social work service and health
- We will ensure that the needs of pupils who abuse others will be considered separately from the needs of their victims
- Pupils who abuse others will be responded to in a way that meets their needs as well as protecting others within the school community through a multi-agency risk assessment

Private Fostering

- Private fostering is when a child under the age of 16 (under 18 if disabled) is cared for by someone who is not their parent or a 'close relative'. This is a private arrangement made between a parent and a carer for 28 days or more. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts (whether of full blood, half blood or by marriage). Great grandparents, great aunts, great uncles and cousins are not regarded as close relatives
- The law requires us to notify duty and advice if anyone is looking after someone else's child for 28 days or more. The purpose of the council's involvement is to support the pupil and private foster family (and wherever possible the biological parent/s) with any issues arising. These may be practical issues such as benefits, housing, immigration or

emotional issues such as keeping contact with biological family, maintaining cultural identity

- If we become aware of a child in a private fostering arrangement within Kirklees Council, we will notify duty and advice by calling **01484 414960**

Children looked after and previously looked after Children

- All our staff recognise that children looked after previously looked after children (whether they are looked after under voluntary arrangements with consent of parents or on an interim or full care order) and care leavers are more vulnerable than other children, often having poorer educational outcomes; therefore, ensuring their wellbeing, safety and welfare, helping them to reach their potential which includes the looked after child who is moving on. The school/college will also ensure that care leavers are supported with pathways including liaison with the local authority where a personal advisor will be appointed and a full working relationship is maintained with the Kirklees Virtual School head teacher in respect of all pupils at the school who are subject of 'looked after' status. The virtual School team can be contacted on kirklees.virtualschool@kirklees.gov.uk or by calling 01484 225180
- Governing bodies of maintained schools and proprietors of academies must appoint a designated teacher and should work with local authorities to promote the educational achievements of registered pupils who are looked after, designated teachers have responsibility for promoting the educational achievements of children who have left care through adoption, special guardianship or child arrangement orders or who were adopted from state care outside of England and Wales. (Children and Social work Act 2017). The designated teacher will have appropriate training and the relevant qualifications, and experience

9. Responding to Domestic Abuse

Netherhall Learning Campus understands that the cross-government definition of domestic abuse and abuse is

- any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality
- The abuse can encompass, but is not limited to psychological, physical, sexual, financial, emotional harm
- Controlling behaviour is a range of acts designed to make a person subordinate and/or dependent by isolating them from sources of support, exploiting their resources and capacities for personal gain, depriving them of the means needed for independence, resistance and escape and regulating their everyday behaviour
- Coercive behaviour is an act or a pattern of acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish, or frighten their victim if this school do identify children for whom domestic abuse may be a concern they will apply the usual referral process and child protection procedures and pass this information to the designated safeguarding lead (DSL). The DSL can then refer cases where relevant to Kirklees duty and advice team (DAAT). Where DV Notifications are received from DAAT, this information will be added to a pupils chronology and child protection record to ensure that appropriate support can be provided where necessary
- This school is aware of and follow the [Kirklees Joint Agency protocol for domestic violence and abuse – \(Operation Encompass School notification\)](#) contact numbers for this must be kept updated by emailing Education.safeguardingteam@kirklees.gov.uk

10. Attendance and Children Missing Education

- Our school understands that poor attendance can be an indicator of concern for pupils with welfare and safeguarding concerns, and thus ensures that information is shared between the attendance officer and the DSL following first day calling procedures. Likewise this school understands that a parent failing to inform the school that a child has an authorised absence could be a cause for concern and thus, we will follow Kirklees Councils guidance [First Day Calling' procedures](#)
- Pupils who are absent, abscond or go missing during the school day are vulnerable and at potential risk of abuse or neglect. Our staff members will follow the [Kirklees Council's guidance for schools where pupils absent themselves during the school day](#) and school's or college's procedures for dealing with children who are absent/ go missing, particularly on repeat occasions, to help identify the risk of abuse and neglect including sexual abuse or exploitation and to help prevent the risks of them going missing in future ([Appendix 10](#))
- Our School appreciates that Kirklees Council has a statutory duty to ensure that all pupils of compulsory school age receive suitable and appropriate education. We will comply with our statutory duty to inform the local authority of any pupil who falls within the reporting notification requirements outlined in [Children Missing Education – Statutory guidance for local authorities \(DfE September 2016\)](#). There are specific duties in respect of Children Missing Education (CME) and there are strict guidelines in respect of both the definition of CME and the legalities of deleting a pupil from a school roll
- Our School is aware that they must inform the Kirklees Education Safeguarding Service when using reduced timetables for pupils and follow the [Guidance to schools on the use of reduced timetables \(May 2019\)](#)
- Elective home education is often referred to as 'education otherwise' in Section 7 of the Education Act 1996 which states: "It shall be the duty of the parent of every child of compulsory school age to cause her or him to receive efficient full-time education suitable to her/his age, aptitude and ability (and to any special educational needs she/he may have) either by attendance at school or otherwise". This means that parents/carers have a legal responsibility to ensure that their child is educated but this does not have to be in school. This school will follow the Department for Education (DFE) guidance should you as a parent decide to educate your children/child at home https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/791527/Elective_home_education_guidance_for_LAV2.0.pdf
- Kirklees Education Safeguarding Service can be contacted on Education.safeguardingteam@kirklees.gov.uk

11. A Safer School Culture

Governors have agreed and ratified the following policies which must be read in conjunction with this policy and be provided to all staff as part of their induction procedures:

- Whistle Blowing/Confidential reporting policies (guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken when staff have concerns about any adult's behaviour)
- School's procedures for managing children who are missing education
- Safeguarding and child protection policy (including online safety)
- School behaviour policy

Our school will comply with the guidance for safer working practice for those working with children and young people in educational settings May 2019

Safe working practice ensures that pupils are safe and that all staff:

- Are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions
- Work in an open and transparent way
- Work with other colleagues where possible in situations open to question
- Discuss and/or take advice from school management over any incident which may give rise to concern
- Record any incidents or decisions made
- Apply the same professional standards regardless of gender, sexuality or disability
- Comply and are aware of the confidentiality policy
- Are aware that breaches of the law and other professional guidelines could result in criminal or disciplinary action being taken against them

Risk Assessments

- Risk assessments are taken seriously and used to good effect to promote safety. Risk assessments are available for all aspects of the school's work such as premises and equipment, on-site activities, off-site activities, venues used, transport. Where relevant, risk assessments are carried out for individual pupils and supported by action plans identifying how potential risks would be managed. School use the LA Evolve System for all risk assessments
- Individual risk assessments are also used when deciding a response to a child demonstrating potentially harmful behaviour such as sexually harmful behaviour or when identifying whether a child who may be particularly vulnerable, such as a child at risk of Exploitation

Safer Recruitment, selection and pre-employment vetting

- The school pays full regard and commitment to following the safer recruitment, selection and pre-employment vetting procedures as outlined in part three of Keeping Children Safe in Education (2019) pages 30 to 52. The school will maintain a single central record which demonstrates the relevant vetting checks required including:
 - A barred list check
 - DBS check at the correct level
 - An identity check
 - A check of professional qualifications
 - A prohibition order and right to work in the UK. (See Part 3 of KCSiE 2019 page 34 paragraph 126- 127)
 - A Section 128 check (for management positions as set out in paragraph 128-135 for independent schools, including free schools and academies)
 - All recruitment materials will include reference to the school's commitment to safeguarding and promoting the wellbeing of pupils ([Appendix 6](#))
 - The school will ensure that all recruitment panels include at least one person that has undertaken the safer recruitment consortium, safer recruitment training as recommended by Kirklees Council
 - The school/college will ensure that written risk assessments are undertaken in situations where information provided on DBS certificates necessitates so. Written risk assessments must be undertaken for all volunteers **not** engaging in regulated activity. Advice and support for carrying out risk assessments can be accessed through the school's human Resource Advisor

- For further information please see “Kirklees Council Safer Recruitment Policy For Schools” document, by Human Resources (HR) Service, found on Kirklees Business Solutions: <http://kirkleesbusinessolutions.uk/Page/12740>

Procedures in the event of an allegation against a member of staff or person in school

These procedures will be followed in any case in which it is alleged that a member of staff, governor, visiting professional or volunteer has:

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against or related to a child
- Behaved towards a child or children in a way that indicates s/he may pose a risk of harm to children

Inappropriate behaviour by staff/volunteers could take the following criteria:

- Physical, for example intentional use of force as a punishment, slapping, use of objects to hit with, throwing objects or rough physical handling
- Emotional, for example intimidation, belittling, scapegoating, sarcasm, lack of respect for children’s rights, and attitudes which discriminate on the grounds of race, gender, disability or sexuality
- Sexual, for example sexualised behaviour towards pupils, grooming, sexual harassment, sexual assault and rape
- Neglect which may include failing to act to protect a child or children, failing to seek medical attention or failure to carry out appropriate/proper risk assessment etc
- Staff have a duty to disclose to the head teacher where their relationships and associations both within and outside of the workplace (including online) may have implications for safeguarding children in school
- A safeguarding complaint that meets the above criteria must be reported to the head Principal (“case manager”) immediately. If the complaint involves the head teacher, then the chair of governors must be informed
- The case manager will gather as much information about the alleged incident as necessary in order to establish whether there is substance to the allegation. The case manager must use the local authority designated officer (LADO) notification form ([Appendix 12](#)) in order to assess the level of concern. As part of this initial consideration, the case manager should consult with their school’s Human Resources Advisor/provider/contact. The completed LADO notification form must be sent to lado.cases@kirklees.gov.uk **within one working day of the allegation being made.** This

will assist the case manager and HR in consultation with the LADO to decide on the most appropriate course of action

- The case manager **will not** carry out an investigation or **directly interview** an individual about whom there is a concern until the above process has been duly completed and relevant partners have been consulted
- A multi-agency allegations management meeting may be arranged to look at the complaint in its widest context. The case manager will attend this meeting, which will be arranged by the LADO. All issues must be recorded, and the outcome reached must be noted before the case is closed
- In many cases it may be appropriate to provide further training and support to staff/volunteers and ensure that they are clear about the expectations for their conduct
- In more serious cases, allegations may be investigated under the formal disciplinary procedures and where allegations are upheld, formal warnings issued as well as specific training and support. In cases where pupils may be at further risk gross misconduct, suspension of the member of staff may be appropriate and should be considered in line with the school's Disciplinary Policy
- Any staff or volunteers who are dismissed by the school for gross misconduct or cumulative misconduct relating to safeguarding of pupils will be referred to the Disclosure and Barring Service for consideration of barring. Similarly, where the school has a reasonable belief that the member of staff/volunteer would have been dismissed by the school had they been employed at the time of the conclusion of investigations, they will be referred to the DBS. The school will keep written records of all the above

The LADO can also be contacted in emergencies on 01484 221 126

- Where a staff member feels unable to raise an issue with their senior leadership or feel that their genuine concerns are not being addressed, other whistleblowing channels may be open to them by accessing; www.gov.uk/whistleblowing or alternatively (www.gov.uk/government/news/home-office-launches-child-abuse-whistleblowing-helpline) also call 01484 225030 or email whistleblowing@kirklees.gov.uk . All messages on the answer machine or email will be heard and seen only by the council's corporate customer standards team
- The NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – available from 8:00am to 8:00pm, Monday to Friday and Email: help@nspcc.org.uk

Training and Support

- All staff members should be aware of systems within our school that support safeguarding, and these will be explained to them as part of our staff induction. This includes: the schools or college's safeguarding child protection policy; the school's safer working practice document and the school's whistleblowing procedures

Designated safeguarding staff must attend:

1. Roles & Responsibilities of the designated safeguarding lead (DSL)
 2. Multi-agency Working Together to Safeguard Children and Young People
 3. A Positive contribution to case conferences and core groups
- They will attend DSL refresher training at least every two years. The DSL will undertake Prevent Awareness Training (e.g. Workshop to Raise Awareness of Prevent [WRAP]) to enable them to provide advice and support to other members of staff on protecting pupils from the risk of radicalisation
 - The school will ensure all staff including temporary and volunteers receive induction and training appropriate to their roles and responsibilities, especially staff new to the school. All staff will complete basic awareness refresher training at least every three years and regular safeguarding and child protection updates via email, e-bulletins, and staff meetings as required, but at least annually to provide them with relevant skills and knowledge to safeguard children effectively. Access to training can be via the Education Safeguarding Service and the Kirklees Safeguarding Children Partnership
 - The head teacher will attend appropriate safeguarding training at least every three years
 - Governors, including the nominated Governor will attend specific training for their role, updated at least every three years
 - Training and support can be accessed through Kirklees Schools Safeguarding Officers by emailing schoolsafeguardingofficer@kirklees.gov.uk
 - Any training accessed through third party/independent providers must reflect the Kirklees Safeguarding Children Partnership protocols this training should be recorded by the school. It is the responsibility of the head teacher to quality assure any training that is delivered to staff in this school

12. Child Protection Records

Child protection and safeguarding records will be held securely, with access being restricted to the designated safeguarding lead and their deputies, head teacher and in cases of Early Support, the nominated lead professional, if this is not a designated safeguarding lead/officer. For further information please see Early Support Assessments

(<http://www.kirkleessafeguardingchildren.co.uk/early-support-assessment.html>) The following information must be kept securely with restricted access, whether paper or electronic:

- Chronology (summary of significant events and the actions and involvement of the school/college) (Appendix 3)
- All completed child protection cause for concern records (Appendix 4)
- Any child protection information received from the child's previous educational establishment
- Records of discussions, telephone calls and meetings with colleagues and other agencies or services
- Professional consultations
- Letters and emails sent and received relating to child protection matters
- Referral forms sent to Duty and Advice, other external agencies or education-based services
- Minutes or notes of meetings, e.g. child protection conferences, core group meetings, etc., copied to the file of each child in the family, as appropriate
- Formal plans for, or linked to, the child e.g. Child Protection Plans, Early Support risk assessments etc
- A copy of any support plan for the pupil concerned (Appendix 5)
- When a pupil leaves this school we will ensure that the child protection file is transferred securely and separately from the main pupil file to the receiving school/educational establishment (where this is known) as soon as possible and within 15 school days. This is a legal requirement set out under regulation 9 (3) of 'The Education (Pupil Information – England) Regulations 2005. A copy of the chronology will be retained for audit purposes
- When there is an existing risk management plan/assessment in place for behaviours that are deemed potentially harmful to the pupil or others (i.e. self-harming or harmful sexualised behaviour), this information will be shared with the destination provision prior to the pupil starting so that appropriate care and control measures can be put in place to mitigate the potential of any risk of further harm occurring. The designated

safeguarding lead will consider if it would be appropriate to share any information with the new school or college in advance of a child leaving, for example prior to a transfer programme. When a child leaves school before statutory school leaving age, the child protection file will be transferred to the new school or college. There is no need for this school to keep written or electronic copies of the child protection records, therefore these will be deleted from electronic systems once the successful transfer has been confirmed. The exception to this rule will be in any of the following instances:

- When a vulnerable young person is moving to a further education establishment, consideration will be given to the pupil's wishes and feelings about their child protection information being passed on, in order that the FE establishment can provide appropriate support. In cases when it is deemed appropriate, relevant child protection information will be shared via the FE Safeguarding Information Sharing Form ([Appendix 11](#)). The original records will be retained and archived by this school/college. Due consideration will be given to the sharing of any additional information requested by the receiving establishment
- When the destination school is not known (*the original records should be retained by the school/college*)
- When the child has not attended the nominated school (*the original records should be retained by the school/college*)
- There is any on-going legal action (*the original file should be retained by the school and a copy sent*)
- Pupil records will be transferred in a secure manner, for example, through secure electronic file transfer or by hand. When hand-delivering pupil records, a list of the names of those pupils whose records are being transferred and the name of the school/college they are being transferred to will be made and a signature obtained from the receiving school/college as proof of receipt. When sending records through secure electronic file transfer, a delivery and read receipt of the transfer will be retained for audit purposes
- If a pupil moves from our school, child protection records will be forwarded onto the named designated safeguarding lead at the new school, with due regard to their confidential nature. Good practice suggests that this should always be done with a face to face handover between designated staff or a verbal conversation is had over the telephone if a face to face handover is not possible. A file transfer or an electronic delivery and read receipt must be obtained for audit purposes by the delivering school
- When sending by post, pupil's records will be sent "Special Delivery". A note of the special delivery number should also be made to enable the records to be tracked and traced via Royal Mail

- For audit purposes a note of all pupil records transferred or received will be kept in either paper or electronic format. This will include the child's name, date of birth, where and to whom the records have been sent, and the date sent and/or received. A copy of the child protection chronology will also be retained for audit purposes and kept securely
- If a pupil is permanently excluded and moves to an alternative or specialist provision, child protection records will be forwarded onto the relevant organisation in accordance with the 'The Education (Pupil Information – England) Regulations 2005, following the above procedure for delivery of the records
- When a designated safeguarding lead member of staff resigns their post or no longer has child protection responsibility, there will be a full face to face handover/exchange of information with the new post holder
- In exceptional circumstances when a face to face handover is unfeasible, it is the responsibility of the head teacher to ensure that the new post holder is fully conversant with all procedures and case files
- All designated safeguarding leads receiving current (live) files or closed files will keep all contents enclosed and not remove any material
- All receipts confirming file transfer will be kept in accordance with the recommended school retention periods. For further information refer to the archiving section

Archiving

The school that the pupil attended until statutory school leaving age (or the school where the pupil completed sixth form studies) is responsible for retaining any child protection records they may hold. Child protection record should be retained until the child's 26th birthday, after which point the file will be deleted from our school electronic system (CPOMs). The decision of how and where to store child protection files must be made by our school via our governing body. Due to sensitivity of the information, the records should continue to be held in a secure area with limited access e.g. designated officer or head teacher. The DSL is responsible for ensuring that all child protection files are archived in accordance with the timescales referenced above. CPOMs will be used to archive student records in line with statutory guidance. The designated safeguarding lead is responsible for ensuring that the appropriate timeframes for archiving and destroying child protection records referenced above are set on electronic systems accordingly for each pupil

Child and parent access to child protection files

Under Data Protection legislation (General Data Protection Regulation & Data Protection Act 2018) a pupil or their nominated representative have several legal rights in respect of information relating to them. These rights include the right to access and the right to rectification of inaccurate data. Therefore, it is important to remember that all information should be accurately recorded, objective in nature and expressed in a professional manner

Any pupil who has a child protection file has a right to request access to it. However, neither the pupil nor the parent has an automatic right to see all the information held in child protection records. Information can be withheld if disclosure:

- Could cause serious harm or is likely to cause serious harm to the physical or mental health or condition of the child or another person
- Could reveal that the child or another person has been a subject of or may be at risk of child abuse, and the disclosure is not in the best interests of the child
- Is likely to prejudice an on-going criminal investigation
- Information about the child also relates to another person who could be identified from it or the information has been given by another person who could be identified as the source, unless the person has consented to the disclosure or the person providing the information is an employee of the establishment or the Local Authority
- It is best practice to make reports available to the child or their parents unless the exceptions described above apply. If an application is made to see the whole record, advice can be sought from the Local Authority
- The establishment's report to the child protection conference should be shared with the child, if old enough, and parent at least two days before the conference

Safe destruction of the pupil record

Where records have been identified for destruction, they will be disposed of securely at the end of the academic year (or as soon as practical before that time). Records which have been identified for destruction should be confidentially destroyed. This is because they will either contain personal or sensitive information, which is subject to the requirements of Data Protection legislation or they will contain information which is confidential to our school or the Local Authority. Information should be shredded (or deleted as appropriate) prior to disposal or confidential disposal can be arranged through private contractors. For audit purposes the school should maintain a list of records which have been destroyed and who authorised their destruction. This can be kept securely in either paper or an electronic format

Appendix 1 Definitions and indicators of abuse

Reference: Working Together to Safeguard Children (DfE 2018). See also Keeping Children Safe in Education Part one and Annex A

Neglect: Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Examples which may indicate neglect (not designed to be used as a checklist)

- Hunger
- Tiredness or listlessness
- Child dirty or unkempt
- Poorly or inappropriately clad for the weather
- Poor school attendance or often late for school
- Poor concentration
- Affection or attention seeking behaviour
- Untreated illnesses/injuries
- Pallid complexion
- Stealing or scavenging compulsively
- Failure to achieve developmental milestones, for example growth, weight
- Failure to develop intellectually or socially
- Neurotic behaviour

Physical abuse: Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child

Examples which may indicate physical abuse (not designed to be used as a checklist):

- Patterns of bruising; inconsistent account of how bruising or injuries occurred
- Finger, hand or nail marks, black eyes
- Bite marks
- Round burn marks, burns and scalds
- Lacerations
- Fractures
- Bald patches
- Symptoms of drug or alcohol intoxication or poisoning
- Unaccountable covering of limbs, even in hot weather
- Fear of going home or parents being contacted
- Fear of medical help
- Fear of changing for sports activities
- Inexplicable fear of adults or over-compliance
- Violence or aggression towards others including bullying
- Isolation from peers

Sexual abuse: Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children

Examples which may indicate sexual abuse (not designed to be used as a checklist):

- Sexually explicit play or behaviour or age-inappropriate knowledge
- Anal or vaginal discharge, soreness or scratching
- Reluctance to go home
- Inability to concentrate, tiredness
- Refusal to communicate
- Thrush, Persistent complaints of stomach disorders or pains
- Eating disorders, for example Anorexia Nervosa and Bulimia
- Attention seeking behaviour, self-mutilation, substance abuse
- Aggressive behaviour including sexual harassment or molestation
- Unusually compliant
- Regressive behaviour, enuresis, soiling
- Frequent or open masturbation, touching others inappropriately
- Depression, withdrawal, isolation from peer group
- Reluctance to undress for sports activities or swimming
- Bruises, scratches in genital area

Emotional abuse: Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child in participating in normal social interaction. It may also involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment

Examples which may indicate emotional abuse (not designed to be used as a checklist):

- Over-reaction to mistakes, continual self-deprecation
- Delayed physical, mental, emotional development
- Sudden speech or sensory disorders
- Inappropriate emotional responses, fantasies
- Neurotic behaviour: rocking, banging head, regression, tics and twitches
- Self-harming, drug or solvent abuse
- Fear of parents being contacted
- Running away / going missing
- Compulsive stealing
- Masturbation, appetite disorders - anorexia nervosa, bulimia
- Soiling, smearing faeces, enuresis

N.B: Some situations where children stop communication suddenly (known as “traumatic mutism”) may indicate maltreatment

Child Sexual Exploitation: Child Sexual Exploitation (CSE) is a form of Child Sexual Abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child Sexual Exploitation does not always involve physical contact; it can also occur through the use of technology

Reference: Child Sexual Exploitation. *Definition and a guide for practitioners, local leaders and decision makers working to protect children from child sexual exploitation*

(<https://www.gov.uk/government/publications/child-sexual-exploitation-definition-and-guide-for-practitioners>) where child sexual exploitation, or the risk of it, is suspected, frontline practitioners should pass the information onto the designated member of staff for child protection

The designated safeguarding lead will complete the CSE/CCE checklist tool for partners (Appendix 7) and refer to the table at the end of the tool to help decide how to proceed. A copy of the completed tool will be kept in the child's child protection records for future reference

If the child /young person already has an allocated social worker, the designated safeguarding lead will contact them (or their team manager) to discuss any concerns about sexual exploitation

A copy of the CSE checklist tool for partners can be obtained from the KSCP Website:

<http://www.kirkleessafeguardingchildren.co.uk/child-sexual-exploitation.html>

We will ensure the school works in partnership with parents / carers and other agencies as appropriate. This includes facilitating return to home interviews as requested

Child Criminal Exploitation: (CCE)

Young people who are victims of CCE include those who are:

- Trafficked within the UK with the intention of being used to commit criminal acts that benefit the trade of drugs and criminal gangs
- Coerced into the supply, transporting and dealing of class A drugs. They may be doing this within their local area, however they are often crossing one or more police force or local authority boundaries
- Coerced into carrying drugs, weapons and money to assist in the trade and movement of drugs

CCE often occurs without the child's immediate recognition, and with the child believing they are in control of the situation. In all cases, those exploiting the child/young person have power over them by virtue of their age, gender, intellect, physical strength. Violence, coercion and intimidation are common, involvement of exploitive relationships being characterised in the

main by the child/young person's availability of choice resulting from their social/economic and/or emotional vulnerability

Serious Violence

- Our staff will recognise when children may be at risk from/or involved with serious violent crime by recognising the indicators such as:
 1. Increased Absence from school
 2. A change in friendship or relationships with older individuals or groups
 3. A decline in performance
 4. Signs of self-harm or a significant change in wellbeing
 5. Signs of assault or unexplained injuries
 6. Unexplained gifts or new possessions

Responses from parents

Research and experience indicate that the following responses from parents may suggest a cause for concern:

- An unexpected delay in seeking treatment that is obviously needed
- An unawareness or denial of any injury, pain or loss of function (for example, a fractured limb)
- Incompatible explanations offered, several different explanations or the child is said to have acted in a way that is inappropriate to her/his age and development
- Reluctance to give information or failure to mention other known relevant injuries
- Frequent presentation of minor injuries
- Unrealistic expectations or constant complaints about the child
- Alcohol misuse or other drug/substance misuse
- Parents request removal of the child from home
- Violence between adults in the household

Children with Special Educational Needs and Disabilities

When working with children with disabilities school staff will to be aware that additional possible indicators of abuse and/or neglect may also include:

- A bruise in a site that might not be of concern on an ambulant child such as the shin, might be of concern on a non-mobile child
- Not getting enough help with feeding leading to malnourishment
- Poor toileting arrangements
- Lack of stimulation
- Unjustified and/or excessive use of restraint
- Rough handling, extreme behaviour modification e.g. deprivation of liquid medication, food or clothing, disabling wheelchair batteries
- Unwillingness to try to learn a child's means of communication
- Ill-fitting equipment e.g. callipers, sleep boards, inappropriate splinting;
- Misappropriation of a child's finances
- Invasive procedures

Appendix 2 Dealing with a disclosure of abuse

When a child tells me about abuse s/he has suffered, what must I remember?

- Stay calm
- Do not transmit shock, anger or embarrassment
- Reassure the child. Tell her/him you are pleased that s/he is speaking to you
- Never enter into a pact of secrecy with the child. Assure her/him that you will try to help but let the child know that you will have to tell other people in order to do this state who this will be and why
- Tell her/him that you believe them. Children very rarely lie about abuse; but s/he may have tried to tell others and not been heard or believed
- Tell the child that it is not her/his fault
- Encourage the child to talk but do not ask "leading questions" or press for information
- Listen and remember
- Check that you have understood correctly what the child is trying to tell you
- Praise the child for telling you. Communicate that s/he has a right to be safe and protected
- Do not tell the child that what s/he experienced is dirty, naughty or bad
- It is inappropriate to make any comments about the alleged offender
- Be aware that the child may retract what s/he has told you. It is essential to record all you have heard
- At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know
- As soon as you can afterwards, make a detailed record of the conversation using the child's own language. Include any questions you may have asked. Do not add any opinions or interpretations

NB It is not school staff's role to seek disclosures. Their role is to observe that something may be wrong, ask about it, listen, be available and try to make time to talk

Immediately afterwards

All disclosures of abuse will be responded to in keeping with the professional roles and responsibilities outlined in Fig 1 summary of school procedure to follow where there are concerns about a child

Appendix 3 Recruitment and Selection Checklist

	Initials	Date
Vacancy advertised. Advertisement includes reference to safeguarding policy, that is, statement of commitment to safeguarding and promoting welfare of children and need for successful applicant to be DBS checked		
Application form on receipt - Scrutinised – any discrepancies/anomalies/gaps in employment and signed to confirm that the applicant accepts the content is true		
Two References. Sought directly from referee on short-listed candidates. This should be the head teacher (or most senior manager) within the organisation; ask recommended specific questions around suitability to work with children		
Interview arrangements - Supporting evidence to verify that at least one member of the interview panel for recruitment has completed safer recruitment training		
Copy of Interview notes - Explores applicants' suitability for work with children as well as for the post		
Note: identity and qualifications of successful applicant verified on day of interview by scrutiny of appropriate original documents; copies of documents taken and placed on file; where appropriate applicant completed application for DBS disclosure		
Conditional offer of appointment: pre appointment checks. Offer of appointment is made conditional on satisfactory completion of the following pre- appointment checks and, for non-teaching posts, a probationary period		
Identity - copies of relevant documents kept in file		
Qualifications - copied of relevant documents kept in file		
Evidence of permission to work in UK, if required		
DBS certificate - satisfactory DBS certificate checked		
DBS Barred list – person is not prohibited from taking up the post		
Childcare (Disqualification) Regulations 2009 Letter- For any staff who work in childcare provision or who are directly concerned with the management of such provision as defined in the statutory guidance		
Health – the candidate is medically fit		
Prohibition – (for anybody undertaking teaching work in any type of school) the member of staff has not been included in the prohibition list or interim prohibition list		
Qualified Teacher Status (QTS) – (for teaching posts in maintained schools) the teacher has obtained QTS or is exempt from the requirement to hold QTS (for teaching posts in FE colleges) the teacher has obtained a Post Graduate Certificate of Education (PGCE) or Certificate of Education (Cert. Ed) awarded by a higher education institution, or the FE Teaching Certificate conferred by an awarding body		
Statutory induction (for teachers who obtained QTS after 7 May 1999)		
Each member of staff must have been given a copy of the following documents, with signed verification of receipt and that they have read and understood them		
Copy of organisation's child protection policy		
Copy of the school's behaviour policy		
Copy of Guidance for safer working practice		
Copy of organisation's whistleblowing procedures		
Copy of Keeping Children Safe in Education (most updated version) including a copy of Annex A		
Copy of the school's ICT Acceptable use policy		
Copy of the organisations online safety policy		
Child Protection training and induction

Appendix 4 Child Exploitation Partnership Assessment and Decision Making Tool

What is this tool? - The tool is to help you assess whether a child may be at risk of sexual or criminal exploitation (CSE/CCE)

Who should you use this tool with? - The tool can be used by any professional working with a child up to their 18th birthday

When to use the tool - This tool is to help you make an initial assessment relating to a child's vulnerability to, and/or risk of exploitation, and what actions are required; it is not intended to be a referral form. When you have completed the tool, please refer to the section '**What Next**' to inform a conversation with your manager/safeguarding lead regarding how to proceed. If on completion you contact the Children's Social Care (CSC) Duty and Advice Team, an electronic copy of the completed tool will be required to inform discussion

Using the tool - In order to identify children at risk of, vulnerable to, or experiencing sexual and/or criminal exploitation, please consider **all** of the risk and vulnerability indicators and indicate your level of concern as **No, Low, Medium or High**. The table of indicators below is only a guide to inform your assessment it is not exhaustive and you may have other concerns; please highlight these in the other information box. Additionally the factors against each indicator are also not exhaustive and are simply prompts for consideration. Highlighting one high risk concern, or several low, may indicate a serious risk of harm/child exploitation, alternatively this might be an indication of other concerns which require addressing

You should be aware that:

- Where there are concerns which relate to sexual exploitation and the **child is aged under 13**, a child contact must be made with the Children's Social Care Duty and Advice team
- Where there are concerns of criminal or sexual exploitation and the child has **send** a child contact must be made with the Children's Social Care Duty and Advice team
- It is important that you provide narrative at the end of the table to support and evidence your concerns
- It is important that you provide information relating to others who may pose a risk of harm to the child/young person
- When completing this tool it is essential to highlight if concerns raised and/or the information provided are **current or historic**. If either are historic but relevant, it is necessary to reference how they relate to the current assessment of risk and vulnerability
- When completing the tool, it is crucial that the child or young person's use of **social media** is considered throughout

No	Low	Medium	High
Whilst there may be concerns for the welfare of the child which may require service provision, there are no current concerns relating to exploitation	The information and assessment raises some concerns relating to the child's risk and vulnerability, but there are positive protective factors in the child/young person's life	Overall the information and assessment indicates that the child is vulnerable to/at risk from exploitation. However there are no immediate or urgent safeguarding concerns	The overall assessment indicates that the child is highly vulnerable to, at risk from exploitation or that they are currently experiencing exploitation. What Next

- Where the assessed level of risk and vulnerability is **Medium or high**, contact Children's Services Duty & Advice team to discuss and agree next steps
- Keep a copy of this tool in your agency records and use it to inform any identified vulnerability, risk or need, and for planning intervention/support the child and their family may require
- Where the overall assessed level of concern is **Low** and the child does not have an allocated social worker, review your assessment on a regular basis, (at a minimum on a quarterly basis) and if there is an increased level of concern, complete a new tool. Where this leads to an overall assessment of **Medium or High**; contact Children's Social Care Duty and Advice Team to discuss your increased concern
- Where the child/young person already has an allocated social worker, you must contact them to share this tool
- If sharing a completed tool with Children's Social Care, an electronic version of this tool will be required

Assessment guidance

- Need for separate social workers for victim and perpetrator, even if in the same household

All Assessments should include:

- Details of the incident/s (including impact on victim/s, context of abusive behaviours, age of victim/s, nature of relationship between the children / young people involved)
- Child and young person's development, family and social circumstances
- Whether the "perpetrator" child / young person acknowledges the alleged behaviour
- Whether there are grounds to suspect that the "perpetrator" child / young person has been abused or there are adults involved in the development of the harmful sexual behaviour
- Details of previous incident/s
- Assessment of child's need and the need for any specialist assessments (including capacity / learning disability)
- Safety of other young people including a Risk management plan for school and one for home
- Accommodation and Education arrangements
- What services need to be provided

Behaviours: age 0 to 5 years

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

Green behaviours

- holding or playing with own genitals
- attempting to touch or curiosity about other children's genitals
- attempting to touch or curiosity about breasts, bottoms or genitals of adults
- games e.g. mummies and daddies, doctors and nurses
- enjoying nakedness
- interest in body parts and what they do
- curiosity about the differences between boys and girls

Amber behaviours

- preoccupation with adult sexual behaviour
- pulling other children's pants down/skirts up/trousers down against their will
- talking about sex using adult slang
- preoccupation with touching the genitals of other people
- following others into toilets or changing rooms to look at them or touch them
- talking about sexual activities seen on TV/online

Red behaviours

- persistently touching the genitals of other children
- persistent attempts to touch the genitals of adults
- simulation of sexual activity in play
- sexual behaviour between young children involving penetration with objects
- forcing other children to engage in sexual play

What is green behaviour?

Green behaviours reflect safe and healthy sexual development. They are:

- displayed between children or young people of similar age or developmental ability
- reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

What is amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be:

- unusual for that particular child or young person
- of potential concern due to age, or developmental differences
- of potential concern due to activity type, frequency, duration or context in which they occur

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

What is red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be:

- excessive, secretive, compulsive, coercive, degrading or threatening
- involving significant age, developmental, or power differences
- of concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Behaviours: age 5 to 9 years

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

Green behaviours

Appendix 7 Missing from School Response Checklist

Referral pathway for reporting pupils missing / absconded during the school day.

PUPIL IDENTIFIED AS MISSING – REPORT IMMEDIATELY to a member of your senior leadership team when a child or young person is known to have absconded from lesson / school

Determine the nature / reason for absconding / going missing from lesson (give consideration to recent events or precipitating factors)

Search school premises and grounds immediately. Make contact with the child, establish (where possible) their location, undertake (if appropriate) home visit or suspected known destination.
NOTIFY PARENTS / CARERS

FOUND

NOT FOUND

Child located and returned to school

Child located but refuses to return to school. Risk assessment to be made regarding circumstances considering the following

- Visit to known abuser
- Risk of CSE
- To use drink or drugs
- Self-harm / suicidal ideation

CONCERNS

Ring 101 and discuss with police

Risk assessment to be made with regards to circumstances considering the following likelihoods

- To visit known abuser
- Risk of CSE
- To use drink or drugs
- Self-harm / suicidal ideation

NO CONCERNS

Update ALL relevant professionals, parents and carers

Pass all relevant information and detailed description of pupil along with photo if possible

No concern / low risk
Child is truanting whereabouts of child have been established i.e. child has gone home, refusing to return to school
DO NOT REPORT TO POLICE

On students return to school – DSL to talk to pupil and establish reason behind absconding. Discussion should:

1. Ascertain child's views and perceptions
