February 2021

Dear Parents, Carers and Students

Following feedback from parents, students and teaching staff - we have reviewed our current remote learning programme and made the following changes to the remote learning school day:

Period 1	9:00-10:00
Break 10 minutes	
Period 2	10:10-11:00
Break 10 minutes	
Period 3	11:10-12:10
Lunch 30 minutes	
Period 4	12:40-13:30
Break 10 minutes	
Period 5	13:40-14:40

This will take effect from Monday 8th February 2021.

We understand and appreciate that this is a challenging time for families and students - this new way of learning has been a steep learning curve for us all. Following a review completed this week we realised that asking students to sit at a computer for two hours without a short break within a five-hour live lesson day has the possibility of causing additional anxieties and stresses.

By altering the day slightly students will now have a planned break following each lesson to allow time to stretch their legs or have a comfort break whilst reducing the time sat at the computer.

I would finally like to thank you all for your support, student attendance to remote learning has increased week on week and work continues to be submitted.

Hopefully, when all this is over we can get back to some kind of normality with minimal impact due to the continued positive response to remote learning.

Yours sincerely

Michael Kent
Principal
